## LANGUAGE ASSESSMENT SERVICES – PEEL HALTON DUFFERIN

**Achēv** Language Assessment Services provide coordinated language assessments and referral services to the Peel, Halton, and Dufferin communities. These include language proficiency assessments and referrals to the appropriate language training programs. (<http://www.languagepeelhalton.ca/clientcontact.html>)

Language proficiencies are assessed using the standard assessment tools based on the Canadian Language Benchmarks: CLBA (Canadian Language Benchmarks Assessment, CLBLA (Canadian Language Benchmarks Literacy Assessment), CLBPT (Canadian Language Benchmarks Placement Test), ELTPA (Enhanced Language Training Placement Assessment), and other approved assessment tools. Clients are then referred to the appropriate language training programs that meet their needs.

Language classes are offered throughout Peel and Halton Regions, and efforts are made to place students at locations that are convenient for them. As well, referrals may be made to a distance education program if circumstances prevent students from attending a classroom setting.
