

# CNC: Care for Newcomer Children

Thomas Merton Centre is thrilled to announce that all of three of our schools in Oakville, Milton and Burlington now provide childcare services! The Care for Newcomer Children program (CNC) is funded for parents who are attending English (LINC) classes in-person, are Permanent Residents, and have children aged 19-months to 4-years.

All childcare rooms are modern, bright, clean, and visually stimulating spaces decorated with calming, natural colours.

Our staff of Registered Early Childhood Educators (RECE's) are professionally trained and experienced in providing age-appropriate learning activities for your child.

In our Care for Newcomer Children (CNC) program your child will:

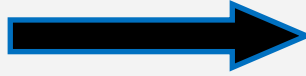

- ◆ Play and make new friends in a safe and happy space
- ◆ Learn and improve English language and communication skills
- ◆ Explore arts, science, literacy, and music activities
- ◆ Celebrate diversity and multi-culturalism in Canada

There is no cost to register your child while you are attending your LINC class on-site.
